**REMARKS/ARGUMENTS**

The amendments are editorial in nature providing an antecedent basis for certain claim terminology. By an earlier amendment, the term "digital recorder" was used in place of the term "recording means." In claim 12, the term "color regions" replaces the term "colors" to provide correct antecedent basis. The change in the dependency of claim 7 corresponds to the use of the term "camera" in claim 2.

Favorable action on the merits is requested in view of the foregoing remarks.

Respectfully submitted,
